# National Conference on Unani Medicine

11-12 February, 2019 | Vigyan Bhavan, New Delhi

## Unani Medicine for Public Health

[www.ayush-unaniday.in](http://www.ayush-unaniday.in)

Organized by:

Central Council for Research in Unani Medicine  
Ministry of AYUSH, Govt of India

# Invitation

---

Dear Friends,

It is my pleasure to invite you all to the Two Day National Conference on Unani Medicine to be organized by the Central Council for Research in Unani Medicine on 11th & 12th February 2019 at New Delhi as part of celebration of 3rd Unani Day. The 1st Unani Day was celebrated in Hyderabad in 2017 and a highly successful International Conference on Unani Medicine was organised in New Delhi in 2018 as part of the 2nd Unani Day Celebrations.

The theme of the conference is **"Unani Medicine for Public Health"** aptly highlighting the important role played by Unani medicine in public health especially in combating NCDs, lifestyle disorders and various chronic diseases by providing cost effective Unani treatment and quality products for patient healthcare. The National Conference will have dedicated sessions on Lifestyle disorders and their management, Regimen therapy, Mother and Child Care, geriatric care, integration and mainstreaming of Unani Medicine in public health and globalization of Unani Medicine. The program is structured to invite the galaxy of experts and luminaries from the field of Health Sciences. There would be participation from industry, academia and research organizations engaged in development of Unani Medicine and related health Sciences.

The Unani Day celebrations would inter-alia include the conferment of Annual AYUSH Awards, wherein awards will be conferred for excellence in different categories of- 'Best Research Paper', 'Young Scientist', 'Best Teacher' and 'Lifetime Achievement'. An exhibition of industry and academia will also be organised.

The core strength and purpose of the event is to provide a platform for active deliberations and to develop meaningful linkages for further development of Unani System of Medicine and related health sciences for the benefit of society at large. I cordially invite the Unani fraternity and all important stake holders to the Unani Day celebrations.

Let's come together and make this event a huge success.

**Prof. Asim Ali Khan**

Director General

Central Council for Research in Unani Medicine

61-65, Institutional Area, Janakpuri, New Delhi - 110058

## Ministry of AYUSH

सत्यमेव जयते  
Ministry of AYUSH  
Government of India

Created in March 1995 as the Department of Indian System of Medicine and Homeopathy (ISM&H) under the Ministry of Health and Family Welfare, it was renamed as the Department of Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homoeopathy (AYUSH) in November 2003. On 9th November, 2014, the Department of AYUSH has been upgraded to Ministry of AYUSH to ensure the optimal development and propagation of Indian systems of healthcare.

The Ministry of AYUSH envisions to position AYUSH systems as the preferred systems of living and practice for attaining a healthy India. It aims to upgrade the standards of colleges and strengthen research institutions. It draws up schemes for promotion, cultivation and regeneration of medicinal plants used in AYUSH systems. The Ministry also deals with the development of pharmacopoeial standards for AYUSH drugs.

## Central Council for Research in Unani Medicine

Established in 1978, the Central Council for Research in Unani Medicine (CCRUM) is an apex autonomous organization under the Ministry of AYUSH, Government of India. Headquartered in New Delhi, the CCRUM develops, promotes, supports, implements and disseminates scientific research in Unani Medicine both nationally and globally. The research and development activities at the CCRUM are conducted through a network of 23 centres. The areas of research include survey and cultivation of medicinal plants, drug standardization, clinical research and literary research. The CCRUM also conducts research in collaboration with other scientific institutes and in extramural mode. Besides, research-oriented health services, public health initiatives information, education and communication activities are also undertaken. Over the years, the Council has made significant strides in its research programmes and won appreciation from various quarters for research outcomes.

## Unani System of Medicine : The Science of Health & Healing

The Unani system of medicine is a comprehensive medical system, which meticulously deals with the various states of health and disease. It provides promotive, preventive, curative and rehabilitative healthcare. The fundamentals, diagnosis and treatment modalities of the system are based on scientific principles and holistic concepts of health and healing. Its holistic approach considers individual in relation to his environment and stresses on health of body, mind and soul. Temperament (Mizāj) of a patient is given great importance in diagnosis and treatment of diseases with natural remedies derived mostly from plants. The system is presently practiced in India, Bangladesh, Pakistan, Sri Lanka, Nepal, China, Iran, Iraq, Malaysia, Indonesia, Central Asian and Middle Eastern countries, some African and European countries etc. In India, the system has been developed scientifically, nurtured and systematically integrated in the healthcare delivery system over the years. With the Government patronage, a wide network of educational, research and healthcare institutions of Unani Medicine has been developed and India has emerged as the world leader in Unani Medicine.
