

Institutional Ethics Committee

It is mandatory that all the proposals on biomedical research involving human participants are approved by a duly constituted Institutional Ethics Committee (IEC) to protect their welfare and rights. At present, there are 18 Institutional Ethics Committees functioning at various Institutes/Units of the CCRUM. These committees review and approve all the research proposals involving human participants. The committees also examine the compliance with regulatory requirements, applicable guidelines and laws.

1 National Research Institute of Unani Medicine for Skin Disorders (NRIUMSD), Hyderabad
